Practice Overview

Catherine joined our chambers in 2016, transitioning from a commercial set of chambers. As Second Junior Clerk, she plays a crucial role in managing the clerks' room alongside James and Peter.

Her responsibilities include assisting with day-to-day operations and actively participating in chambers' marketing efforts to enhance our visibility within the legal community.

'Emily Waller and Catherine Farmiloe are both brilliant. They are organised, will keep on top of the diaries, and generally keep everyone going and on plan.'
